Bringing health care home

Lakeview Homecare provides nursing support 24-hours a day, seven days a week. From acute care to chronic illnesses, we offer health care and educational support based upon your individual needs. Our qualified staff and state-of-the-art technology offer the award-winning level of professional care you have to come to expect from Lakeview.

Homecare services provided include:

- Skilled nursing care
- Wound care
- Home IV therapy
- Physical therapy
- Occupational therapy
- Speech therapy
- Nutrition consultation
- Home health aide services for personal care
- Social services
- Pharmacy services
- Laboratory services

Homecare services are eligible for coverage by Medicare, Medical Assistance, major HMOs and private insurances when services are authorized by your personal physician and your primary insurance plan. Lakeview Homecare also provides services on a private pay basis.

For more information, please call us at 651-430-3320 or 800-732-1422.
